COMPANY PROFILE

Founded in 2012, ABP HELMETS is a leading manufacturer of high-quality helmets. Based in India, we have been serving customers for over a decade with a commitment to quality, innovation, and customer satisfaction.

Our state-of-the-art manufacturing facility is equipped with advanced machinery, and our team of experienced professionals is dedicated to producing helmets that meet the highest safety standards. We use only the best materials to ensure that our helmets are durable, comfortable, and provide optimal protection to our customers.

At ABP HELMETS we believe in continuous improvement and innovation. Our research and development team are constantly working to improve our products and explore new technologies that can enhance the safety and comfort of our helmets. We work closely with our customers to understand their needs and requirements. We also offer customization options, so our customers can choose the design, colour, and features that best fit their needs.

In addition to our standard range of helmets, we also offer customized helmets for different industries and applications. Our team of experts can design and manufacture helmets that meet the unique requirements of our customers.

Our commitment to quality and customer satisfaction has earned us a reputation as a trusted supplier of helmets in India and around the world. We have a strong network of distributors and partners that help us reach customers in different markets and provide them with the best products and services.

MISSION STATEMENT

*Race the passion with
utmost safety and zeal...!*

At ABP HELMETS, we take safety seriously. Our helmets are rigorously tested and certified by leading safety organizations such as the Bureau of Indian Standards (BIS). We also have a comprehensive quality management system in place to ensure that our helmets meet the highest quality standards.

In conclusion, as a leading helmet manufacturing company in India, we are committed to providing our customers with high-quality, safe, and affordable helmets. Our focus on customer satisfaction and strict quality control measures sets us apart from other companies in the industry. We are continuously working to improve our products and services, and we look forward to serving our customers for many years to come.

We are well-positioned to meet the growing demand for helmets in India and around the world.

- Our mission at ABP HELMETS is to design and manufacture high-quality helmets that prioritize safety, comfort, and affordability for our customers.
- We are committed to meeting the highest industry standards and regulations, while also promoting road safety awareness and giving back to the community.
